# Summer Camp 2022

We are very excited to be offering this year's summer camp in collaboration with the Darien Nature Center. The program consists of three two-week sessions and is nature and science based. There will be outdoor explorations, nature discoveries, animal encounters, water play, science experiments as well as intriguing art activities!

NEW this year is a two-week camp for our Two's children, that have not yet turned three. The Nature's Detective program has been adopted for this age group. Along with the same high-quality student/teacher ratio for our youngest students, this camp is sure to keep your children engaged and excited!
